#### TRAIL DIFFICULTY LEVELS

**Difficulty Level 1:** A walking trail, suitable for the general public, including wheelchair and disabled accessibility. Difficulty level 1 trails are suitable for horses, hikers and bikers.

**Difficulty Level 2:** A hiking trail, suitable for the general public with a reasonable degree of fitness, but not suitable for persons with mobility challenges (wheelchairs, walkers, etc.). Suitable for hikers, horses or bicycles. Footing is secure, grades are manageable for the general public, and stairs and boardwalks that are in good repair are used in the more challenging sections.

**Difficulty Level 3:** A hiking trail for those in good physical condition. These trails are suitable for the general public with an above average level of fitness. Level 3 trails may be suitable for horses if so indicated. There may be steep grades and steps. The footing may be treacherous in wet conditions.

**Difficulty Level 4:** A trail you need to plan for. These trails are suitable only for the fit hiker and may involve steep climbs or difficult terrain. They are not suitable for horses. Extreme mountain biking may be possible. Rope climbs to assist in steep or slippery slopes may be involved.

**Difficulty Level 5:** A challenge and an adventure. These are trails suitable only for the most fit and well-equipped hiker. These trails typically involve steep climbs and difficult terrain.

| Date         | Trail                                    | Difficulty |
|--------------|--|------------|
| April 8      | Flower Ridge                             | 3+         |
| May 13       | Charters River<br>to Sooke Mtn.<br>Park  | 3-         |
| June 10      | Mt. Manuel<br>Quimper                    | 3+         |
| July 8       | Anderson Cove                            | 3+         |
| August 12    | Thetis Lake<br>to Francis King           | 3          |
| September 10 | Charters River<br>to Grassie<br>Lake     | 3+         |
| October 14   | Peden Lake                               | 3          |
| November 11  | William<br>Simmons Park<br>Wieland Trail | 3          |
| December 9   | Pike Pt. to<br>Ironmine Bay              | 2          |
| January 13   | Coppermine<br>Loop                       | 2+         |
| February 10  | Sooke River                              | 2          |
| March 10     | Roche Cove<br>to Cougar<br>Ridge         | 3          |

The Society reserves the right to change hike destinations.

RECREATIONAL HIKING PROGRAM

**APRIL 2017-MARCH 2018** 

# Guided Recreational Hikes Program

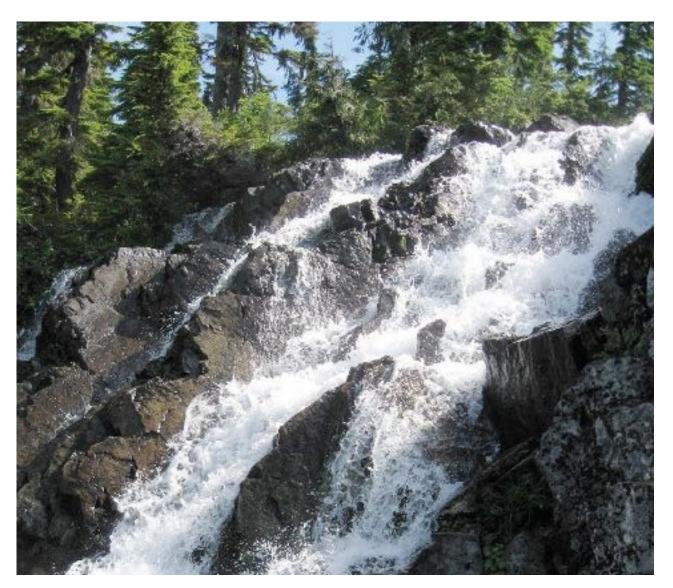

The Juan de Fuca
Community Trails
Society is pleased to
present a guided
recreational hiking
program to encourage
residents and visitors
alike to get out and
enjoy the incredible
wilderness of the Juan
de Fuca Electoral
Area. The program
features guided hikes
along a different trail
each month of the year
—a great way to
experience the beauty
and diversity of our
local ecosystems
through the forest
promotes both a
healthy lifestyle and a
sense of community.

The hikes are led by experienced members of the Community Trails Society, who are trained in navigation and first aid, and whose knowledge of each trail will enhance your enjoyment and

understanding of the area you are hiking through. Depending on the hike leader's knowledge, there may be opportunities for interpretation of the plants, animals, landscape or history of the area, or a chance to learn the finer points of navigation by map and compass or GPS.

Hikes are appropriate to the season in which they are offered. Winter hikes are shorter and closer to civilization. Spring hikes feature trails in the Sooke Hills where wildflowers are abundant. Summer and fall hikes are for reasonably fit hikers wanting a more extensive experience in the woods.

## **How to Participate**

All hikes leave from William Simmons Memorial Park parking lot (Sooke Business Park turnoff, off Otter Point Road) at 9 a.m. on the second Saturday of each month. Participants will carpool to the trailhead. Hike difficulty levels vary by season. The hikes are free, but donations to the Juan de Fuca Community Trails Society are welcomed.

### BE PREPARED

- Dress for the weather
- Wear good hiking boots
- Bring drinking water
- Bring a lunch or snack
- Carry a whistle.
